

Skunk Deodorizer Shampoo

1 quart Peroxide

$\frac{1}{4}$ cup Baking Soda

1-2 tsp Dawn Dishwashing Soap

Eye lubrication ointment

Sponge/Washcloth

Directions: Protect your pet's eyes with lubricating eye ointment. Mix ingredients and apply to hair coat and skin. Use a sponge or washcloth to apply to facial area. Allow pet to soak 15 minutes and rinse well. Repeat the next day if needed. May cause fading of the hair coat, upholstery and other fabrics.
